

CLARE GREENWOOD PERSONAL STYLIST

Locate my Studio This is a city centre location so easiest to park at Garras Wharf or **behind M&S**. When you enter the building at Princes House, just go straight ahead past Capella Hair Salon on your left. There is a door directly in front of you. Go through this and straight across the room to another doorway which leads you through a glass porch and you find my room on your left. If door seems locked ring the bell on the left of my door.

I look forward to seeing you there! **Clare**
