Clare Greenwood

Locate my Studio This is a city centre location so easiest to park at Garras Wharf or behind M&S. When you enter the building at Princes House, just go straight ahead past Capella Hair Salon on your left. There is a door directly in front of you. Go through this and straight across the room to another doorway which leads you through a glass porch. You will find my room on your left.

I look forward to seeing you there! **Clare**
